Overview

Nagarkot day hike is a gateway to nature hike in the most spectacular region of Nepal. It takes you up to the highlands of the villages of Tamang people of Nepal. Along the way you pass through pine and rhododendron forest and for bird watchers keep your eyes open. Then after some time you come right to the view tower from where you can get amazing Panoramic views of Himalayan peaks.

The sunrise and sunset views are definitely to watch out on these snowy White Mountain peaks. On the way back you visit the holy temple of Changunarayan constructed over 1500 years ago. You will also see UNESCO World heritage site at Bhaktapur Durbar Square such as The Palace of fifty five windows, Vatsala temple, Nyatapola temple, Bhairavnath temple, the embellished gilded Golden gate, Beautiful lions gate and with that this beautiful journey ends at arrival at hotel and the departures.

If you have already done Nagarkot day hike,then we some best for you;

Beautiful Pokhara valley tour, Buddhist pilgrimage tour, Secret Chitwan Jungle safari tour,Easy Kalinchowek tour might be your favorite travel destination in Nepal.
